## About Us

Welcome from Diane Dennis, RN,  
Senior Case Manager, Nurse,  
Owner

At Age at Home Service, we are a compassionate nursing-based Geriatric Case Management agency. Our licensed nurses specialize in geriatric care, geriatric psychiatry, and age-related healthcare challenges.

We are committed to enhancing the quality of life for older adults and supporting their families throughout every stage of the aging process.

## What We Do Our Core Services

- Comprehensive assessments and evaluations
- Personalized care planning
- Medication management
- Healthcare advocacy
- Family education and support

We coordinate care that helps seniors remain safe, independent, and well-supported in the setting that suits them best—at home or elsewhere.

## Testimonials

Linda Selivanow

This was an invaluable service, and our family is grateful for having Diane support mom and all of us throughout the difficult transitions in mom's care and end of life needs.

Cathy Kretz

Diane's warmth and professionalism made her a wonderful companion for my mother, and I wholeheartedly recommend her services for anyone caring for an aging loved one.
